Personal statement

A Computer Games Design student at Teesside University, looking to gain a placement in the games industry to acquire experience in order to improve my skills and knowledge of designing games. A hard-working and dedicated individual who can work within a team or on their own to complete complex tasks.

Key Skills

- Proficient in use of Unreal Engine 4 software
- Functional in use of 3D modelling and texture software (Maya, Substance painter)
- Time management and organisational skills

Education

Teesside University

(September 2019 -)

- Modules passed include Game Asset Creation, Non-digital Game Development, Game Studies, Game Production and Project Management, Game Prototyping and Game Design and Mechanics (Passed first year with an average mark of 66%)

Hartlepool College of Further Education

(September 2017 – June 2019)

- Level 3 Extended Diploma in IT – DDM

Dene Community School

(September 2012 – June 2017)

- 11 GCSEs A-C including Mathematics, English and Science

Employment History

Match day Steward at Hartlepool United Football Club

(February 2019 – October 2019)

Responsibilities included maintaining safety and order by enforcing the rules of the ground upon the crowd. This included checking tickets, directing spectators to seats, ensuring there was no prohibited items in the stands and dealing with any spectator's concerns.

Extra-Curricular Activities

Before College, I took part in the National Citizen Service, a 4-week programme aimed at young people where they are given the opportunity to experience adventurous activities such as kayaking and caving. The final 2 weeks of the programme involved volunteer and charity work where within a team we raised over £1000 for a local chemotherapy ward. We did this through various fundraising efforts such as raffles and sponsored events.
